

# Team Taekwondo Birthday Parties

## Packages and Prices

Minimum booking of 15

### Facility Hire \$150

This includes use of the dojang and the downstairs chairs and tables (outside) for two hours, plus two fabulous instructors to make sure your child's birthday is the best ever!!

Also included in this are 8 lucky dip prizes to be given out during the training session. We have found this really motivates the kids to listen and show good behaviour throughout the whole party which makes it much more fun for everyone. 😊

### Self Catering

In our experience we've found that generally the kids really don't eat too much at the parties, especially if there's a birthday cake. You may want to bring some sandwiches, dips with carrot or celery etc. Basically, feel free to bring whatever you'd like. You have use of the micro wave and the oven if needed (please clean up afterwards) and there's always the Coops canteen if needed.

### Taekwondo Cake (optional)

Our customised Team Taekwondo birthday cake is a great way to end your party. The cake is a sponge cake with cream through the middle and lollies around the outside with a special picture on the top. Plus your child (under very close supervision) will be able to cut the first slice with a samurai sword. WOW!

Please choose:

- Chocolate or vanilla cake
- ¼ slab (32 pieces) with Mock cream - \$60 or Fresh cream - \$63
- ½ slab (64 pieces) with Mock cream - \$85 or Fresh cream - \$94

## Taekwondo Headbands (optional)

Normal retail \$8 each... special party price \$4.50

Kids absolutely love these headbands. It makes them feel like they're all part of something special and best of all, they get to take them home. We highly recommend purchasing headbands as part of your package.

## Piñata (optional)

\$35

We can supply a piñata filled with lollies and toys for the kids to bash around after they have had their food. This is a great way to fill in some extra time while waiting for lunch to settle before we go back to the dojang for some final games.

**If you wish to book a party with Team Taekwondo we will need to know final numbers and have received full payment 1 week prior to the party date.**

We also need the following information:

- Date of party – we have a **strict** start time (arrive 12.45 to start 1pm) so please write the start time on your invitation.
- Number of children
