

## Team Taekwondo Profile

Hello, my name is David Vernon and I am the owner/operator of Team Taekwondo. I'd like to tell you a little bit about our fantastic club, for two reasons; firstly, - I would like our club to be aligned with sponsors who have a similar social ethos to our own and can also help take some of the financial burden off our members in their quest to be their best, and in return Team Taekwondo will promote and advertise your business, and secondly, - I am so very proud of our club and its members and just love to talk about it!

- Team Taekwondo was established in August 2005
- Membership to date (Jan 2010) is approximately 150
- Ages of members range from 4 to 65
- Location is prime – We are part of the Club Coops Sporting Complex located at Beams Road, Carseldine, which consists of a 12 court tennis centre, gymnasium, squash courts, swimming centre, yoga, massage clinic, beauty clinic, child minding centre and for the last 2 years a Taekwondo club. The combined membership of all these entities runs into the thousands.
- We promote a family club atmosphere and instill good social values.
- We run family functions such as bowling, Wet'n'Wild, trophy presentations, Team birthday parties and the like, all coordinated by our volunteers on the social committee.
- Taekwondo enjoys a relatively high profile as an official Olympic sport
- Team Taekwondo is associated with Taekwondo Australia and the Olympic movement and partake in approximately 10 officially sanctioned tournaments a year.

In short, we are a professionally run club with social values and our mission is helping the people in our community reach goals that they may never have thought possible.

If you think your business may be able to help our members out with sponsorship in return for advertising and promotions, please feel free to either call me, or speak directly to the wonderful social committee volunteer that has made contact with you.

Thank you for your consideration.
